MEMORANDUM FOR: Director of Personnel

FROM: John H. Stein
Associate Deputy Director for Operations

SUBJECT: Post Differential

1. It has been brought to my attention that those few employees sent on extended TDY to overseas hardship posts cannot be paid post differential for the first six weeks of the TDY. I am told a blanket exception has been made for extended detail [redacted] similar to that once in effect in Vietnam. I have also been advised that the Comptroller General has found that for extended duty periods, payment of post differential could be made retroactive to the date of arrival.

2. I recommend that the latter procedure be arranged worldwide for all Agency employees and would request an appropriate change in Agency regulations.

[redacted]
[redacted] John H. Stein
